PLANNED OUTAGES

AUTOMATED NOTIFICATION SYSTEM

Norris Electric has implemented an automated planned outage notification system. Members will be notified via phone if a planned outage is going to affect their service. Please make sure your current phone number is up to date on your account so we can ensure communication. Members can call the office at 877-783-8765 with any changes.

Budget Billing

Members wanting to eliminate the fluctuations of their monthly electric bills are encouraged to sign up for Norris Electric's Budget Billing program!

Accounts with at least 12 months of consumption history and with account balances paid in full are eligible.

- ⌘ Monthly budget bills are reevaluated in November and May.
- ⌘ If a change results from the recalculation, a message will be printed on your May and November bill indicating this new amount. If you do not see a message on your bill, your budget amount has remained the same.
- ⌘ There is no "catch up" month. When reevaluating the account, any under-collected amounts and overpaid amounts are "rolled over" into the next 12 months.
- ⌘ Monthly budget bills must be paid before the next month's bill is calculated. If payment is not received, the account will be removed from the budget plan.
- ⌘ If an account is removed from budget billing for any reason, any balance on the account is due immediately.
- ⌘ Budget Billing is automatically renewed, unless terminated by either the member or the cooperative.

Fourteen 2022 IEC Memorial Scholarships available

Illinois electric cooperatives will award 14 scholarships in 2022 to financially assist deserving students in the electric cooperative family. The 14 scholarships, \$2,000 each, will be awarded through the Thomas H. Moore Illinois Electric Cooperatives (IEC) Memorial Scholarship Program.

“We hope to assist electric cooperative youth while honoring past rural electric leaders with these scholarships,” says manager, Tami Phillips. “Norris Electric Cooperative and the other Illinois electric cooperatives are always seeking ways to make a difference in our communities. One of the best ways we can do that is by helping our youth and investing in them through programs like this one.”

Eight scholarships will be awarded to high school seniors who are the sons or daughters of an Illinois electric co-op member. A ninth scholarship, the Earl W. Struck Memorial Scholarship, will be awarded to a student who is the son or daughter of an Illinois electric cooperative employee or director. Four additional scholarships are reserved for high school seniors enrolling full time at a two-year Illinois community college who are the sons or daughters of Illinois electric cooperative members, employees or directors.

The 14th scholarship, the LaVern and Nola McEntire Memorial Lineworker’s Scholarship, will help pay for costs to attend lineworker school conducted by the Association

of Illinois Electric Cooperatives in conjunction with Lincoln Land Community College, Springfield, Ill. Sons and daughters of co-op members, relatives of co-op employees or directors, and individuals who have served or are serving in the armed forces or National Guard are all eligible for this scholarship.

Deadline to apply is Dec. 31, 2021. The lineworker scholarship deadline is April 30, 2022. For more information regarding the scholarships, contact Norris Electric.
