## Unclaimed capital credit checks, 1982-1983

In June 2020, Norris Electric returned \$1,806,769.10 in capital credit allocations to members who purchased electricity from 1982 through 1983. Norris mailed checks to the last known addresses on file. As of August 1, 2020, the list below contains the names of members whose checks were returned to us by the post office because of incorrect addresses. If you have completed paperwork for a deceased member, those checks are issued at a later date.

We need your help ... if your name is listed below, or if you have an updated address for someone on the list, please contact Norris Electric. If one of your relatives is on the list and he or she is deceased, we can rewrite the check in the name(s) of the member's heir(s). Please contact our office to obtain the forms needed to claim these funds by calling 1-877-783-8765 or emailing: [capitalcredits@norriselectric.com](mailto:capitalcredits@norriselectric.com). This list of names along with last known addresses is also available on our website at [www.norriselectric.com](http://www.norriselectric.com).
